| 23.       | <p><b>Finance: Budget &amp; Precept</b> To receive proposed budget and precept 26_27</p> <p>a. <b>Budget 2026 – 2027:</b> Council resolved to approve the budget for 2026_2027</p> <p style="text-align: right;">Carried Unanim</p> <p>b. <b>Precept 2026_2027</b></p> <p>a. Council noted that current indications show a precept increase at or below inflation levels and confirmed an intention to remain thus.</p> <p>b. Council heard that the precept could only be confirmed once the tax base figures have been released to allow a council tax band D comparison – this would be in the January 2025 meeting.</p> <p>ACTION: Clerk to make sure Budget is up to date on AdvantEdge</p> <p>ACTION Clerk to use budget Figure to project Precept once Tax Bast figures have been release.</p> <p>ACTION: Clerk to publish Budget on the website</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                 |                   |              |                |                                                                                                                                                                                        |             |         |    |  |         |         |          |  |                                                                                 |   |  |                 |  |  |  |                             |   |  |               |  |  |  |                            |   |  |                |  |  |  |                             |   |  |                |  |  |  |                        |    |  |       |              |          |  |                                                             |     |  |  |         |          |  |                                    |   |  |               |  |  |  |     |   |  |                |  |  |  |                      |     |  |         |                |          |      |                                                                                                                                                                                        |     |  |        |               |          |      |                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |    |                   |       |                |              |             |         |     |  |         |         |          |            |                                                            |   |  |              |  |  |  |                 |   |  |               |  |  |  |                |   |  |               |  |  |  |              |     |  |        |               |          |  |                                                |     |  |        |             |          |  |                                   |           |  |           |           |  |  |  |  |  |         |         |  |  |              |       |  |           |           |  |  |  |
